

Protecting What Matters Most

Identity Protection and Financial Wellness for the Whole Family

IdentityForce, a TransUnion® brand, has been helping people protect their identity and credit for more than 40 years. From credit health and financial account protections, to identity theft protection features and restoration, our features help you to guard against fraud and scams and protect your family.

Comprehensive Protection For You and Your Family

- All plans include family protection features aimed at protecting everyone from your children to the senior family members in your life.
- Fully managed identity restoration for household members, including seniors and children who are most vulnerable to identity fraud attacks.
- Both employee and family plans include up to 10 dependent children and up to 10 adult household members.*

* Children 18-years old and under will be enrolled in child monitoring features specifically designed for minors. IdentityForce identity protection enrollment is limited to employees and their eligible dependents.

Personalized BreachIQ™ Risk Scores and Action Plan

- All plans include our exclusive BreachIQ search tool, which enables you to search your past breach history and learn what you can do to protect yourself from past data compromises.
- BreachIQ scours a proprietary breach universe consisting of dark web and other breach databases to identify risks that are missed by dark web scans alone.
- With each BreachIQ Risk Score, we provide a list of potential risks and a detailed action plan of how to protect you or your family members.
- Premium plans include BreachIQ's highly personalized Identity Safety Score™ and action plan that combines all of your identity risks and protections and changes as soon as you take action.

Financial Wellness and Credit Health

- Enhanced credit alerts provide more insights into the important actions you can take toward greater financial wellness.
- Score change alerts help you stay on top of your credit activity that may impact your credit standing.
- Daily credit reports, along with our credit simulator and score tracker, provide more detailed tracking of your progress.
- Our education resource center includes resources for safeguarding your financial health and identity safety with timely tips, videos and live webinars.
- With Credit Lock, you can lock and unlock your TransUnion credit report with the touch of a button, helping prevent criminals from opening or extending credit in your name.

What You Need to Know

The credit scores provided are based on the **VantageScore® 3.0** model. Lenders use a variety of credit scores and are likely to use a credit score different from the **VantageScore® 3.0** to assess your creditworthiness.

* Complimentary Child Watch included in all plans.

** Deceased Household Member Fraud Remediation available for adults or eligible dependents enrolled in an active IdentityForce Family Plan at the time of their death

*** Please review the benefits materials provided by your employer and reach out to them with any questions you might have. Identity Theft Protection may be provided to you at no cost, or in certain circumstances, for an additional, payroll deducted charge. If applicable, your employer will be able to speak to the payroll deduction process by which you agree to pay. If you wish to cancel your Identity Theft Protection, please coordinate with your employer.

+ You must complete the additional step of identity verification. Verifying your identity is important because it is required to receive your enhanced services, including credit services. Just creating an online account does not automatically activate these services. **If you do not verify your identity, you will not receive your enhanced services.** Please keep in mind that if you are paying for this service, the full price of your package will not change even if you do not receive the enhanced services.
